

# Shenandoah Valley Fiber Festival

By Nan Nichols

The Pygora Goat Show at the 2016 Shenandoah Valley Fiber Festival on September 24th was a first ever event at this venue. It brought 7 hardy exhibitors, most of whom travelled between 400 to 600 miles to attend; nearly all also supported the Michigan Fiber Festival Pygora shows just 4 weeks earlier! Liza Sanford-Crane judged the show that included 12 wethers and 21 does. A Farm Booth was added to our education display the day after the show, giving owners a chance to showcase and sell their Pygora fiber to an appreciative audience.
