

Michigan Fiber Festival 2014

The 2014 Michigan Fiber Festival Pygora Show was a success! Thanks to everyone who had a hand in making this happen. From those who donated silent auction items, to those who drove half-way across the country to attend, and those who sent fleeces, it took several participants and volunteers to pull this event together. Everyone enjoyed the event and the camaraderie at the dinner following the show.

Wethers

A big THANK YOU to Heiniger USA (<http://www.heinigerusa.com/>) for supporting the animal shows once again with a donation of the brand new **XPERT Shearing machine**. Winners from the Sheep, Angora Goat and Pygora Goat shows were entered in a drawing to win the shearing machine. The 2014 winner is the Pygora Goat Champion Wether, DKF Pygora's Barney.
