All scheduled classes must be listed and should follow the guidelines for Show Classes found herein. The application must be requested and signed by a PBA adult member (18 years or older) in good standing who is considered eligible to be a voting member in all things. Youth members are encouraged to be co-chairs but are not eligible to vote nor petition for show sanctions on their own. Application forms may be obtained from the PBA show secretary, or the PBA website under "Putting on a Show." The PBA Show Secretary's contact information can be found on the PBA website under Officers/Directors/Committees under the Membership tab.
2. The sanction fees will be \$15.00 each for buck, doe, wether or fleece show when the application for sanction is postmarked to PBA at least 30 days prior to the show date. If the application for sanction is postmarked less than 30 days before the show, a \$10.00 late fee per sanction must be paid. Sanctions will not be given to applications postmarked less than 8 days before a show unless special arrangement is made with the PBA Show Secretary. It is solely at the discretion of the PBA Show Secretary whether or not to grant this late sanctioning.
3. PBA will supply Grand and Reserve Grand Champion Doe, Buck, Wether, and Fleece ribbons if the application is received 30 days prior to the show. If the application is received less than 30 days prior to the show, Grand and Reserve Grand Champion ribbons may not be available by the show date. It will be the responsibility of the local show chair to get the ribbons to the winners.
4. All shows must be judged according to PBA Show Rules and by a PBA licensed judge.
5. Classes may be combined or eliminated if there are not enough entries. The judge's word is final on this decision.
6. Any goat which is disqualified in its class must not be counted in the total number of animals shown for sanction requirements.
7. Any sanctioned doe, buck, wether or fleece show must have at least four different registered owners participating in the show. ## **B. Goat and Registration Regulations**

1. All goats entered in any PBA sanctioned show must be registered with the Pygora Breeders Association. No other registrations are recognized. No unregistered Pygoras may be shown.
2. For doe, buck or wether shows, official PBA Registration Certificates must be presented at the time of show check in. Photocopies of PBA Registration Certificates are not acceptable. The PBA Registration Certificates must remain available throughout the whole show. The PBA Registration Certificates must be presented to the local show chair/secretary to be used to enter information on the Report of Awards for the Grand and Reserve Grand Champion.
3. For Fleece show entries, PBA Registration Certificates photocopies, are required, and NOT official Certificates.
4. For a doe, buck or wether show Pre-Registration Certificates are not valid for a goat one year or older. For a fleece show Pre-Registration Certificates are not valid for a goat that was one year or older at the time of harvest.
5. Proof of ownership will be the name on the registration certificate. Otherwise the owner is determined by a transfer of ownership certificate when it is dated within 90 days of the show and presented with the original Registration Certificate.
6. A goat may be judged in only one age class. Proof of age will be the birth date on the goat's Permanent Registration or Pre-Registration Certificate.
7. The age of the goat shall be calculated by the age of the goat on the day it is to be judged. (Goats born on the day of the show shall be placed in the higher age class.) Fleece entries are based on the goat's age at the date of fleece harvest.
8. It is the exhibitors' responsibility for following any state regulations when transporting animals. Health certificates may also be required if specified in the show rules application. It is the exhibitor's responsibility not to bring a sick animal.
9. No doe that is over 4 months pregnant may be shown.
10. Classes will not be split into fleece types. All fleece types will be judged against their own standards and not against each other.
11. The following goats/fleece restrictions will apply for sanctioned shows. A violation of the PBA Show Rules will result in forfeiture of all ribbons, awards, premiums and newsletter announcements.
  1. If the Junior Champion doe, buck, wether, or fleece records the Grand Champion win it cannot be shown again until the goat is eligible to be shown in the Senior Division.
  2. If a buck or doe has no progeny recorded with PBA and has reached two years old it cannot be shown in any sanctioned doe or buck goat show.

3. A buck or doe two years old or over with No Progeny is eligible to show fleece with the following conditions: if a “No Progeny” buck or doe fleece records a PBA Grand Champion win in a sanctioned fleece show, it cannot be shown again until the goat has recorded progeny.
4. A goat who has received the required number of wins to attain Permanent Grand Champion doe, buck, wether or fleece status will be considered retired and can no longer be shown in sanctioned shows of the same type. A goat named Permanent Grand Champion doe, buck or wether may continue to compete in sanctioned fleece shows and a goat named Permanent Grand Champion for fleece may continue to compete in sanctioned doe, buck or wether shows.
5. If a goat does not have the permanent identification-tattoo/microchip- that is recorded on the Registration Certificate they cannot be shown in a PBA sanctioned show. Tattoo/microchip identification will be checked by the local show judge for the show Grand Champion and Reserve Grand Champion in a doe, buck and wether shows. Goat identification is not reviewed in a sanctioned fleece show, but owners are expected not to enter the fleece of goats without identification.

### **C. Fleece Regulations for all Show Types**

1. For sanctioned doe, buck, or wether shows, goats may be shown with fleece “on the goat” or “in the box”. Only one fleece per animal may be shown in any one show. If the goat has regrown some fleece, it is the decision of the exhibitor which fleece, “on the goat” or “in the box” will be judged.
2. For sanctioned doe, buck, wether or fleece shows, all fleece, whether “in the box” or “on the goat” must be shown in its natural state so the natural characteristics (style, finish, handle, luster) can be felt and seen to be properly evaluated by the judge. Fleeces “in the box” or “on the goat” that have been washed with products that remove any of the natural characteristics, fleeces that have been dehaired, or goats that have been over groomed and brushed so the natural style (curls) are removed, will be penalized the same as under groomed or extremely dirty fleeces and goats.
3. For sanctioned doe, buck, wether or fleece shows, all fleeces shown “in the box” must have
  1. Been harvested within one year of the show date. The harvest date must be clearly marked next to the entry number.
  2. Have its weight clearly marked next to the entry number. In a tie breaker situation preference will be given to the fleece with greater yield. Method of harvest and fleece type must be considered when calculating greatest yield.
  3. May be harvested by shearing, plucking, or combing.
4. Senior bucks shown “out of fleece” or entered in fleece shows will be represented by a one-ounce sample taken from the buck’s barrel and placed in a zip-lock bag with the date of harvest and weight of full fleece harvest written on it. The sample must have been harvested within one year of the show date. A colored, side view picture of the buck in full fleece must accompany the fleece sample.

Fleece shows allow all PBA Registration Certificates presented to be photocopies. Only fleeces from PBA registered goats are allowed. Each class can be divided into white and colored classes.

**Doe Division Fleece Classes** – PBA registered doe fleeces are eligible. Does 2 years and older who have not freshened are not allowed to be shown in a PBA sanctioned fleece show.

	DDF2	1 year to under 2 years
	DDF3	2 years to under 4 years
	DDF4	4 years and older

Doe Division Champion Fleece will be selected from the first-place winners of the classes in the Doe Division.

Doe Reserve Champion Fleece will be selected from the fleece which was second to the Champion in its individual class and the 1st place winners of the other Doe Division classes.

**Buck Division Fleece Classes** – All PBA registered buck fleeces are eligible. All buck fleeces will be a one-ounce sample taken from the buck’s barrel and placed in a zip-lock bag with the date of harvest and full fleece weight written on it. The sample must have been harvested within one year of the show date. A colored, side view picture of the buck in full fleece must accompany the fleece sample.

Example:	BDF1	Under 1 year
	BDF2	1 year to under 2 years
	BDF3	2 years to under 4 years
	BDF4	4 years and older

Buck Division Champion Fleece will be selected from the first-place winners of the classes in the Buck Division.

Buck Reserve Champion Fleece will be selected from the fleece which was second to the Champion in its individual class and the first-place winners of the other Buck Division classes.

**Wether Division Fleece Classes** – All PBA registered wether fleeces are eligible.

Example:	WDF1	Under 1 year
	WDF2	1 year to under 2 years
	WDF3	2 years to under 4 years
	WDF4	4 years and older

Wether Division Champion Fleece will be selected from the first-place winners of the classes in the Wether Division.

Wether Reserve Champion Fleece will be selected from the fleece which was second to the Champion in its individual class and the first-place winners of the other Wether Division classes.

Grand Champion Fleece will be selected from the Doe, Buck, or Wether Champion Fleeces.

The Reserve Grand Champion will be selected from the Buck, Doe, or Wether Champions that were not made Grand Champion and the fleece that stood Reserve Champion to the Grand Champion.

**Just for Fun Classes not part of PBA Sanction**

While the classes described in the official PBA class list are the only ones that are eligible to compete for Grand Championship and accrue wins toward Permanent Grand Championship, there are many other non-sanctioned classes that can be added to a show that breeders and spectators can enjoy. Below is a list of these classes. (Sometimes the show promoter will require all goats entered in the fun classes to be entered in the sanctioned part of the show with the exception of the F1 class.)

F1 or F2	Doe, Buck and Wether
Unbred/No Progeny	Doe or Buck
Dam and Daughter	Looking for improvement in the daughter.
Breeder's Trio	Any 3 does with the same herd name, can be owned by someone other than the herd name owner.
Get of Sire	Two does out of the same sire, must have different dams.
Best Herd	One buck and two does owned by the exhibitor
Judge's Choice	A fleece competition that is open to all goats entered in the show. Fleeces will be judged against the standards for type A, B and C fleeces. Awards will be given to each fleece type.
Golden Fleece	This is an overall competition between the Grand Champion doe, buck and wether.
Parade of Champions	Doe, Buck, and Wether -- A competition of Permanent Grand Champions. Does, Bucks and Wethers can compete separately or against one another as Supreme.

**REALLY, REALLY, FUN!!**

Best Dressed Pygora	A costume class open to all Pygoras in the show.
Obstacle Course	A chance for exhibitors to show how well trained their goats are. Will your Pygora follow you anywhere????

Can you think of any other fun ways to show off your Pygoras???
